### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Barry Schindler on June 13, 2005.

The application has been amended as follows:

In the second occurrence of claim 11: Line 1, "11", first occurrence, has been deleted and --12-- has been inserted.

In claim 12, "12", first occurrence, has been deleted, and --13-- has been inserted.

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest, in a composition having at least three phases and comprising at least three components, a thermoplastic polymer base material, a desiccating agent, and a channeling agent, the limitations of prior to processing, there is a greater affinity between the channeling agent and the desiccating agent than between the polymer base material and the desiccating agent, and the polymer base material resists diffusion of moisture than does the channeling agent; and the channeling agent is melted during processing of the composition and forms passages throughout the polymer base wherein the passages transmit moisture to the desiccating agent entrained in the polymer base material.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Suzanne E. McDowell whose telephone number is (571) 272-1205. The examiner can normally be reached on M, W, Th 6:30-4.
